BUILD A FUTURE

COMMUNITY MAKES THE DIFFERENCE

The Round Lake Library is a community library, supported by individuals and corporations in the Town of Malta and Village of Round Lake.

With the expansion into a new branch this fall, community support is even more vital. We need to fill shelves with books, DVDs, and magazines. We need to equip our technology centers with computers, projectors, and other audio-visual equipment. We need the extras that make a library work for its patrons—white boards, easels, fax machines.

We recognize that in these economic times, you want to know where your money is going, and so we invite you to select particular items in our catalog and make your tax-deductible donation directly for that item. In return, we will recognize you with a bookplate, plaque, or other notice of recognition that says you helped the Round Lake Library Build a Future.

FAQs

What's included in the price I pay?

The bulk of the price goes to purchasing the item; a small percentage of the price goes to item processing, assembly, or installation.

Can I dedicate an item to someone?

Absolutely! We will inscribe the bookplate or plaque with the words you choose.

I want to donate but would like to spend it where it would do the most good. What would you suggest?

Please call the library director, Carol Sheffer. She can guide you to the right choice for you or your organization.

Is my donation tax-deductible?

Yes! We are a 501(c)(3) not-for-profit organization, and we will send you a receipt upon request.
